

Trail Reports Are Important

Trail Reports are vital to our organization. When the data is gathered and analyzed, it allows us to know the health of our bluebird population. It tells us where we have been successful and where we need to do more work. We'd like your numbers regardless of the number fledged 100 or 0. Please take the time to completely and accurately fill in your trail report form.

Reports are due by **December 31, 2026**

To report your results online go to our website: <http://bbpMN.org/> Click on **2026 Trail Reporting Forms** there you will find the **2026 Online Report Form**. Mail-in Report form to: Wally Swanson, 128 South Buchanan, Waterville, MN 56096. Questions call Wally @ 507-362-8760 or email him at dendroica55@gmail.com.
